## 6x3A

**Il mondo del lavoro è in continua evoluzione, variano i comportamenti e le modalità per vivere gli ambienti. Razionalità e pulizia formale definiscono un linguaggio che esprime flessibilità, personalizzazione e comfort. Arredi concreti, pratici e allo stesso tempo accoglienti.**

In a constantly evolving work environment, the way to approach and live spaces changes. Rationality and formal simplicity give birth to flexibility, customization and comfort. Practical and welcoming furnishings.

**6X3A** soddisfa esigenze estetiche e funzionali; screen tecnologici, propongono una soluzione ottimale per suddividere il proprio spazio restituendo comfort acustico.

6X3A gathers aesthetic and functional needs; technological screens offer an optimal solution to create personal areas, granting acoustic comfort.

**Postazione di lavoro multipla. Piano nobilitato in finitura rovere, struttura bianca laccata e screen divisori in poliestere.**

Multiple office workstation. Oak melamine top, white lacquered structure and polyester screens.

**Il sistema introduce una gamba in rovere che si innesta nella struttura di sostegno del piano. I colori scelti enfatizzano il rapporto con la naturalezza del legno, dando al prodotto un tono distintivo per il mondo Operativo e coerente per il mondo Manageriale. Si generano così postazioni versatili dove le persone svolgono attività individuali e collettive.**

This collection introduces an oak leg, that fits into the support structure of the top. The colors chosen emphasize the naturalness of wood, giving to the product a distinguishing tone for the Operational world and a coherent look for the Managerial world. This creates versatile workstations, where people can carry out individual or collective work.

**Linee pure ed essenziali accompagnate dal calore del legno.**

Pure and essential lines contrast the warmth of wood.

**Dettaglio della struttura con innesto gamba in rovere.**

Detail of the structure with oak leg connection.

**Tavolo meeting, piano e gamba in rovere antracite.**

Meeting table, top and leg in anthracite oak.

**Dettaglio, gamba rovere antracite.**
